For the attention of John Prince, Esq

Dear John,

ENGINE HOUSE CIRCUIT BREAKER LINK

Please accept our order number PE 07388 to cover labour and mileage whilst your electricians repaired some links to our Engine House breaker on Friday, 11th January 1991.

Whilst writing, may I express my thanks for the excellent co-operation and willingness to help, displayed by your electricians. The repair work carried out allowed us to start up No. 2 engine promptly and avoided a costly delay.

Once again many thanks.

Yours sincerely,
