I will be leaving Land-Rover at the end of the month, and thought it would be a good idea to take this opportunity to acknowledge the work that Hugh Paterson has done for us while he has been here. It must be very hard as a contractor to come into an office in a large factory and fit in as quickly as Hugh has, to the extent that everyone accepts him as one of the team. The work he has undertaken has been of the highest standard and very professional which in turn reflects very well on your company.  
Can I wish you and company all the success in the future

Best wishes.
